

## COASTER BRAKE HUB CZECH MODEL 504569

The **EAGLE BRAND** Czech Model Coaster Brake Hubs are with brilliant polished chrome finish and made by cold/hot forging Process and machined on CNC Lathes and Millings. Distortion free Heat Treatment of all components is done. To eliminate friction, all Ball Lines are ground on automatic grinding machines. For free & smooth construction, a roller clutch system is used in which several rollers roll freely when coasting and sprung brake drum retracts from the brake surface area when not in use, whereas, other Hubs have more friction because they have free floating brake shoes which drags loosely against the hub shell when coasting. Brake Shoes are so designed to obtain highest level of stopping power with lesser amount pressure on Pedals. Flanges of Hub Shell are one piece, whereas in other Hubs flanges are pressed on the Shell.

### Order Specifications :

1. **Over Locknut Distance (OLD)** : 105 - 120 mm.
2. **Sprocket Size** : 14, 16, 18, 19, 20, 21 & 22T.  
(Snap-On or Threaded)
3. **No. of Spoke Holes** : 16, 20, 24, 28, 36 & 40.
4. **Axle Length** : 147 mm - 180 mm.
5. **Spoke Hole Diameter** : 12G (3.20 mm) / 14G (2.90 mm)

# COASTER BRAKE HUB PARTS

**SHELL**  
C-483368

**BRAKE ARM**  
C-503388

**HUB AXLE**  
C-5063

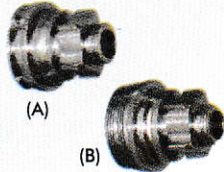

**CLIP**  
C-482593  
(Oval - 14/24 or 17/27 mm)

**Clip Screw & Nut**  
C-482595/482596

**NUT A/F 14 mm.**  
C-502673

**DRIVING SLEEVE**  
(A) C-503369 "Snap-On"  
(B) C-503370 "Threaded"

**ARM CONE**  
C-503365

**Steel Brake Drum**  
C-502593

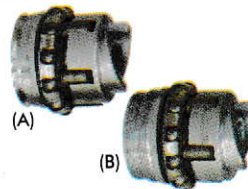

**Roller Guide Ring**  
C-502682

**Brake Actuator**  
C-502681

**Sprocket**  
(16T, 18T, 19T, 20T & 22T)  
"Snap-On" or "Threaded"

**Driving Set**  
(A) C-504588 "Snap-On"  
(B) C-504589 "Threaded"

**Ball Retainer (11 Balls)**  
C-503362

**Balls**  
C-5069

**Rollers**  
C-5071  
(6.5 & 4.5 mm.)

**Lock Nut (Round/Hexagonal)**  
(A) C-5060  
(B) C-50604

**Safety Washer**  
C-5061

**Sprocket Securing Circlip**  
C-502621

**Driving Sleeve Circlip**  
C-5070

**Dust Cap Driving Sleeve**  
C-503360

**Sprocket Dust Cap**  
C-503370

**Arm Cone Dust Cap**  
C-503364

**Sprocket Nut**  
For Threaded Sprocket  
C-503363
